

## Italian Jewels: Portofino and Cinque Terre

There is no escaping the beauty of Portofino, tucked into a protected inlet surrounded by lush cypress and olive clad slopes.

A full-day excursion to the Cinque Terre is taken by boat on the Gulf of Poets. During the cruise, you pass by Monterosso, viewing it from the sea, before disembarking in Vernazza, where you board the train to Corniglia. Then walk along the "Love Path" Promenade to Manarola, where you stop to visit the village.

Everyone will proceed on foot to Riomaggiore, walking down to the marina, to re-board your boat to reach Isola Palmaria, where lunch is arranged at a renowned inn.

After lunch, your boat takes you to Portovenere, where there will be leisure time to stroll along the narrow streets, before getting back to Portofino.
